Introduction

COSMX was established in 2007 and headquartered in Zhuhai. It has three production bases in Zhuhai, Chongqing, Zhejiang and has established a factory in India. COSMX is one of worldwide major suppliers of consumer polymer soft pouch lithium-ion batteries, and has long served world's well-known customers in the field of notebook computers, tablet computers, smart phones, smart wearables, power tools, drones and others. In the field of power batteries, Zhuhai COSMX have become qualified suppliers for many automotive manufacturers after years of accumulation. At present, COSMX has entered the fields of high-end electric motorcycles, automotive start-up batteries, energy storage, passenger vehicle BEV and high-voltage energy storage.

At the same time, the company has a group of talented individuals in professional and technical fields of electrochemistry, materials science, physical chemistry, machinery and automation, computing and information systems. It has accumulated a wealth of technical achievements and won many national and provincial honorary awards.

COSMX — Provide reliable energy solutions

1998: R&D of
Li-ion battery
started

2007: Factory
in Zhuhai
established

2019:
Renamed to
COSMX

Company Honors

COSMX has successively won the honors of "Postdoctoral Research Workstation," "National High-Tech Enterprise," "National Enterprise Technology Center," "Guangdong Doctoral Workstation," "Guangdong Provincial Engineering Technology Research Center," "President Unit of Zhuhai Intelligent Manufacturing Association," "Zhuhai Key Enterprise for Intellectual Property Protection," and "Caring Contribution Award." In March 2019, Zhuhai Coslight was renamed COSMX.

Award/Title/Honor	Granted/Approved by	Time
Postdoctoral Research Workstation	Ministry of Human Resources and Social Security, and National Post-doctor Management Committee	Nov.2018
